Copy of letter No. 3857 dated 16-7-96
to the Executive Engineer, Bellary Division
to the Superintending Engineer, III Circle

I propose to visit Tumkur to-
morrow for the purpose of seeing the
Mysore officials and endeavour to provide
for the smooth working of the Agali Taluk
where there have been disturbances. From
there, I shall proceed to Agali (Hosur).
I request that you will obtain the sanction
of Government to the journey, as it is
out of my Division.

No. 1184 of 20-7-96

Submitted to the Chief Engineer,
Public Works Department; with a request
that he will be good enough to obtain
the necessary sanction of Government
under Article 1137 of the Civil Service
Regulations. The journey is taken in
connection with the repairs of the Agali dam,
about which there is friction with the Mysore
authorities. III Circle
Superintending Engineer
17-7-96.
