READ—the following paper :—

From G. P. CARLESS, Esq., Executive Engineer, West Coast Division, to the
Superintending Engineer, IV Circle, dated Calicut, 13th July 1896, No. 369.

I have the honour to report that the old Police station at Pungalkutta, bearing
Register No. 31 Provincial, page 26, having been made over to this department, heads
of the several departments in the district were asked if they required the building for
any Government use, but none of them wants it.

The President of the Taluk Board, Mangalore, however, requires it to be used as
choultry for accommodating the caste travellers. I therefore request that sanction of
Government may be obtained for its transfer to the Local Fund department.
