Cantonment

Sir,
I have the honor to state that
Mr. J. Pereira Supervisor Cantonment,
who was deputed to proceed to the An-
droth Islands, Laccadives, in con-
nection with the blasting operations there,
as reported in this Office N^o 555 dated
2 December 1895, requests that he may be
granted double daily allowances for the
period he was absent from the main
land as he states that the Island
produces nothing but Coconut and
Coir, and all supplies including
medicines had to be taken with him from
this place. Under C.S.R. 1259 (ii) Officers
of the 3rd and 4th class are allowed four
times the ordinary daily allowance while
engaged on the Island, but no provision
is made for Officers of the higher classes.

As

As this is the first occasion on which
a subordinate of this department
was deputed on Island duty and as the
ordinary daily allowance of the Super-
visor Rs. 2 seems hardly sufficient
to cover his actual expenses, I have
the honor to request you will be good
enough to obtain the sanction of Govern-
ment under Civil Service Regulations
No. 257 to the special allowance claimed.

I have the honor to be

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:-

Endorsement of the Public Works Department, dated
4th. June 1896, No. 334 D.

From the Accountant General, Madras, dated 22nd.
22nd. June 1896, No. 1901.

In reply to Assistant Secretary Mr. Phillips' endorsement
No. 1183 dated the 11th. of June 1896 referring to me for
remarks papers from the Public Works Department regarding the
claim of supervisor Mr. J. Pereira to double daily allowances
for the period spent by him in the Laccadives, I have the
honour to state that article 1259 of the Civil Service Regula-
-tions provides for the grant of special daily allowances
allowances only to officers of the third and fourth class
visiting the Laccadives and that the grant of such special
allowances does not appear to have been contemplated in the
case of officers of the first and second class.

As regards sanction to the payment being accorded under
the powers conferred by the Government of India Resolution
No. 5102 Ex dated 25th. October 1895, I would observe that Mr.
Pereira's visits to the Laccadives do not appear to have
been attended by any special circumstances and that the grant of any
concession in his case is likely to establish a new practice
involving expenditure which is expressly prohibited in para 2
(2) of the Resolution.

I am of opinion, therefore, that Government cannot sanc-
tion the expenditure in the present case.
