Letter from the Executive Engineer,
Krishna Northern Dr., to the Suptg Engineer,
2nd Circle, d/13th July 1896, No 158 S.E.

Against the allotment of Rs 900
under Postal repairs for the Current
year, there are estimates only for Rs 260.
2. Out of the balance of Rs 640, I
propose to carry out the work of "Con-
verting the old Taluk Cutcheri at Naras-
sawpet into Post Office", for which
an estimate for Rs 260 is now under
check in this Office. This work
however, falls under the head -
"Original works" and I therefore,
request that a sum of Rs 260 may
be transferred from Postal "Repairs"
to "Original works".
