PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper:—

From the Inspector General of Police, Madras, dated 7th December 1895, No. 5888:—

I have the honour to solicit the sanction of Government for the construction, by the P.W.D., of (1) a constable's hut at Nellacottah and (2) a 1st Class Station house at Kandal, Nilgiri district.

(2) The strength at Nellacottah is 1 head and 5 constables, but the present number of huts is only 5, so that for want of a hut one constable has to pay a rent of 2 or 3 Rupees. The approximate cost of the proposed work is Rs. 600.

(3) As regards the 2nd work, Colonel Porteous was of opinion—and I agree with him—that the present station house is a miserable building, and that, when a new and larger station has been built at Kandal, it would be a good measure to separate Ootacamund Town and Taluk stations and to amalgamate the latter with the Kandal Station.

(4) If my proposal is approved, I beg that Government may be pleased to issue orders in the P.W.D. for the preparation of the necessary plans and estimates.

O R D E R:— No. 68, dated 11th January 1896.

The construction of the constable's hut at Nellacottah

should be undertaken departmentally. The estimate for this work appears to be unduly costly, even when its situation is taken into consideration, and should be revised, fresh sanction being applied for thereafter.

2. The necessary orders for the preparation of plans and estimates for the Station house at Kandal will be issued in the Public Works Department.
