EXAMINER'S REPLY.

The estimates are correct as to allocation
and require the sanction of the Local Government.
Attention is invited to the cost of the
Assistant Traffic Manager's bungalow which
seems somewhat high in comparison with the
salary of the appointment. To cover interest
and cost of maintenance, the rental of this
building should be Rs $\frac{11,329 \times 7\frac{1}{2}}{100} = \text{Rs } 850$ per
annum or say Rs 71 per mensem.

The salaries of Assistant Traffic Managers are

1 st class	727 - 818
2 nd "	545 - 636
3 rd "	410 - 454

and as recoveries of rent are limited to 10% of the occupants' salary, the full rent would be recovered only when an assistant of the 1st class was the tenant.

As no provision was made in the current year's budget for the Assistant Traffic Managers' office, this work may be sanctioned if considered "Special".

Funds are available from the grant for unsanctioned works, Schedule B of budget for 1895-96.

to Mr.

Sir,

in reply to your letter

No. E.455 d. 20/9/95 I have

the h. to invite attention to the cost of the Traffic Managers Bungalow. To cover interest on lab. cost of maintenance the rent of the bungalow should be £850 per ann or £71 per annum

Under the 10% rule this sum will ^{only} be realised in the event of the bungalow being occupied by a 1st class Assistant Traffic Manager.

I have thought to enquire whether the bungalow will always be occupied by an officer of that grade. If not it is thought that a building of the type same type as that recently sanctioned for the Ant. loco. Spt. at Prambas at an estimated cost of 8198/- might be substituted
