Proceedings of the Court of Wards,

Dated 24th July — 1896.

No. 982 Mis.

READ — the following letter from the Collector of
vizapattam No. 189, dated 16th July 1896.

I have the honor to report that
the terraced roof of the Minor Rajah
of Kurupam's residence at Kurupam
is in very bad repair, the heavy beams
supporting it having all sagged. The
roof itself is too heavy and it is
feared that the beams will give
way. Professional opinion of a
higher order than that of the Estate
overseer is required to determine
what should be done to it. I
have it in contemplation more-
- over to replace the overseer by a
less costly officer from the end of
the

the current month. I therefore re-
quest that the Court will be
pleased to obtain the sanction
of Government for the building being
examined by the Executive Engineer,
Vizagapatam Division and the
necessary repairs executed under
his supervision.

Resolution

Submitted to Government
with the request that orders may
be issued in the Public Works
Department as suggested by
the Collector.
