READ—the following paper :—

From J. S. WILSON, Esq., Executive Engineer, South Arcot Division, to the
Superintending Engineer, V Circle, dated 21st May 1896, No. 401 S.E.

The old Police station-house at Panruti (No. 8 in the register of public buildings) occupied by the Police Department was taken over by this department on the 10th March 1896, at the request of the Superintendent of Police contained in his letter No. 296/Gl. of 1896, dated 19th February 1896 (copy enclosed). In reply to a reference made regarding this vacant building, the Collector states in his letter No. 361/Eng. of 1896, dated 4th May 1896 (copy enclosed), that it is not required either for the Revenue or the Local Fund Department.

2. I have therefore the honour to request that, under paragraph 20, chapter X, Volume I of the Code, sanction may be obtained for its disposal, as suggested by the Collector in his number quoted above, i.e., sale of its materials in auction and handing over of the site to the temple.

No. 153 W.

Copy to the Chief Engineer, Public Works Department, with a request that orders may be passed to sell the building by auction and to hand over the site to the temple authorities.
