It is not clear if the
 watchman should only be
 engaged for a certain period.
 The rest house is an old
 building and has been converted
 into a rest house for the latter.

3/7/96

W Sanction is applied for from
 the date the building was
 converted into a rest house (which
 is apparently 10th May 1896) up to
 the end of the official year i.e. to
 end of February 1897. The pay for
 March 1897 will be paid in April
 and will thus fall against the
 grant for the next official year.

The entertainment,
 from 10th May 1896 to end of
 February 1897, of a watchman
 on Rs 5 per mensem for the
 resthouse at Nagaboor in
 the Kurnool Division, is
 sanctioned.

3/7/96

On the last paper I passed, the pay of
 a watchman is given as Rs. 3. Why
 should the wages be higher in this case?
 A pensioned policeman or peon would
 be more likely to do the work for
 Rs. 3.

1. Sanctioned, in view of explanation given.
2. In reports and letters from Officers in P.W.D.
 it would be well that the names as well as the
 office of the watchman be given. Sanctioned

In reply to your endorsement no.

Memorandum no. 650 D. of the 8th.
I deem I have the honor to report that
in consideration of the work turned
out by the watchman at the Rest-
house, Nagatpur, the pay of Rs 5 fixed
to him cannot be considered
high as in addition to his legiti-
mate duties as a watchman,
he has to look after and keep
watered a mango grove of about
50 young trees which were planted
in October last, and that the
watchman of other Rest houses

at this rate in the year 1871

man would care to take up this

work on a full pay. 12-7-96
