No. 2479 W., 27th August 1896.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Account.

Read—the following paper :—

From the Executive Engineer, Kistna Western Division, to the Superintending Engineer, II Circle, dated 24th July 1896, No. 146 S.

As noted in my explanation against item 14 of the Divisional statement of objectionable items in my accounts for May 1896, I have the honour to apply for an increase in the sanctioned limit of reserve stock for this division from Rs. 12,000 to Rs. 18,000.

I append a statement showing the value of reserve stock during each month from April 1895 to June 1896.

There is no necessity to work up to the limit, if stock is not required; but the limit should be such as to give a fair working margin, so that excesses and, consequently, entries in the objectionable item statement may be avoided in future.

No. 1252 K.W.

Forwarded to the Chief Engineer, Public Works Department, for favour of obtaining the sanction of Government for the increase of stock limit from Rs. 12,000 to 18,000 now applied for by the Executive Engineer, Kistna Western division.

2. The original limit of Rs. 12,000 was sanctioned in G.O., No. 1411 W., dated 7th June 1894.

14th August 1896.
