Two questions require decision:—

(1) whether Mornstuart building should be altered at the expense of Provincial Funds in order to accommodate the office of the Principal Medical Officer.

(2). whether the Military subordinates occupying quarters in the subsidiary jail buildings should have notice to quit.

2. As regards (1) Mornstuart is a Provincial building and there seems no objection to altering it at the expense of Provincial Funds, as has been done on previous occasions, if the Government of India agree

to a corresponding enhancement of rent. The Deputy Adjutant General might be informed accordingly, and told that it will rest with him to obtain the requisite sanction to this additional rent which will amount to Rs 39 per annum as shewn in the * margin. The total rent charge for the building will then amount to Rs 4979 per annum.

(2) The Executive Engineer might be told that quarters should be hired for these subordinates elsewhere as soon as possible. The cost would in this case fall against Military Works Funds, which are Imperial. The existing buildings have to be adapted as quarters for Secretariat clerks.

This requires explanation. A revised estimate for Rs 7640 was sanctioned in supersession of one for Rs 6075. Again a completion report for Rs 8641 was sanctioned showing an excess of Rs 1001 over revised estimate. Then it was stated that Rs 50 was short paid to the contractor & this caused an increase of Rs 70 and a revised completion report for Rs 8711 is now submitted. This is most unsatisfactory as it shows an excess of Rs 2636 over the original ~~estimate~~ estimate of Rs 6075. However all previous excesses have been sanctioned & it only remains to explain to H. E. that the excess now requiring sanction is Rs 70 & that a note should be written to this effect.

A completion report for the

t was subsequently brought to

st Rs. 8 per cubic foot allowed
e Anantapur Sub Division and

cost to Rs. 8,691 which was

Completion report

I have the honor to forward herewith revised Completion report for Rs 8,711. for Police Hospital at Ananthapur in lieu of the one Sanctioned in G. O. No. 256 W dated the 2d February 1895 for Rs 8,641, and to request you will be good enough to obtain the Sanction of Government to the outlay in excess over the latter, viz, Rs 70 - This is the correct amount due to the Contractor for teakwood eaves boards supplied for this work, and not Rs 50 as reported previously and to which Sanction was obtained in G. O. No. 1761 W of the 16 July 1895. The mistake is reported to be due to the information as to the length of boards supplied not being available at the time in the Executive Engineer's office.
