To

The Secretary to the Government of Madras,
Public Works Department.

Calcutta, the 10th January 1896.

Sir,

I am directed to acknowledge the receipt of your letter No. 1820 W., dated 23rd July 1895, in which you state that His Excellency the Governor in Council requests a re-consideration of the decision of the Government of India negating the proposed grant to Mr. H. Irwin, C.I.E., Consulting Architect to the Government of Madras, of the rank and pay of Chief Engineer, 2nd class.

2. In reply, I am to say that, in view of the conditions of Mr. Irwin's appointment, stated in this office letter No. 1884 G., dated 3rd July 1895, the Government of India were unable to support the proposal of the Government of Madras to promote him to Chief Engineer, 2nd class. Having regard, however, to his distinguished services as an Architect, and the desire of the Local Government that they should receive some recognition, the Secretary of State has, on the recommendation of the Government of India, sanctioned the grant to Mr. Irwin, as a special case, of a personal allowance of Rs. 400 (four hundred) per mensem with effect from the 1st April 1895, and up to the 21st January 1896, when he will retire from the service. This sanction will have the effect
