ENCLOSURE.

Sir,
 With reference to item 39 in the Provincial Objectionable Item Statement for February 1896, I have the honor to report that no authority has yet been traced out from the records of this office for allowing the occupation of the Officers' Quarters at Malapuram at the reduced rate of Rs 10-8-0 per mensem. This special rate is being recovered from 1890 and the Assistant Engineer, Calicut Sub Division, states, that he remembers that there was some correspondence about that time to reduce the rent of the quarters in question owing to insufficiency of accommodation.

Appointments made and proposed to be made from the Madras Engineering College from 1885 to 1897 under orders of the Government of India guaranteeing such appointments.

GOVERNMENT OF INDIA.

PUBLIC WORKS DEPARTMENT.

GENERAL.

To

The Secretary to the Government of Madras,
Public Works Department.

Simla, the 31st July 1896.

Sir,

I am directed to acknowledge the receipt of your letter No. 1712 W., dated 9th June 1896, regarding the appointments to the Engineer Establishment from the Madras Civil Engineering College in the year 1896.

2. In reply I am to state that the Government of India understand that the appended statement represents the matter correctly, that is to say, the number of appointments guaranteed to the College, viz: one annually, has not been exceeded, although, owing to the change in the rules in regard to the period of practical training, and also to the appointment to the Department of one apprentice Engineer under the Provincial Service rules on 1st January last, the actual appointments to the Department in 1896 are three in number.

3. On this understanding the proposal to confer a 3rd appointment on 1st July 1896, on the student who obtained a guaranteed appointment in December 1894, is approved.

I have the honour to be,
Sir,
Your most obedient servant.

Read the following :-

Letter from J. Twigg Esquire., Collector of Madura, to
the Secretary to the Commissioners of Land Revenue, Madras, Ref. on
Cur. No. 4539/Genl. of 1895, dated 3rd July 1896 :--

The Acting Head Assistant Collector has brought to my notice that the clerks' room in the Tiruchuly Deputy Tahsildar's Office does not provide sufficient accommodation for the staff which has lately received some addition owing to the appointment of a quit rent gumastah and Abkari-Clerk and that the Deputy Tahsildar has had to allow the clerks the use of his court room he himself using the clerk's room to his great inconvenience and that the office building and the sub jail wards are leaky and cracked in some places.

2. The office establishment consists of 5 clerks and one dufterbund besides the copyists and a room of 16 feet by 12 feet cannot accommodate them all.

3. The Executive Engineer, Madura Division who was asked to arrange for the repair of the building and to provide the increased accommodation required for the clerks informs me that the total cost would exceed Rs. 500 and that sanction of Government should be obtained.

4. I have, therefore the honour to request that the Board will be pleased to obtain the necessary permission of Government for the preparation by the D.P.W. Officers of plan and estimate for the thorough repair of the building and the sub jail wards and for providing the additional accommodation required for the clerks.

Resolution:- No. 3494 Misc., dated 30th July 1896.

Submitted to Government with the recommendation that orders may be issued in the Public Works Department for the preparation of the necessary plans and estimates for preparing the Tiruchuly Deputy Tahsildar's Office building and the sub jail wards and for providing additional accommodation for the Deputy Tahsildar's clerks.
