Proceedings of the Madras Government.

Read the following Proceedings of the
Board of Revenue, Land Revenue, No. 3368 Mis, d/22nd July 1896, on
the following letter from the Collector of Kistna, d/9th July
Ref. on Cur. No. 3503/Ver of 1895.:-

The President, Dt. Board, states that in G.O.No.2859A, d/14-10-'92, the construction of a feeder road from Chillakallu in the British Territory to Bonakal a Railway Station on the zam's Guaranteed State Railway at a cost of Rs 77010, was sanctioned and that the said construction is under contemplation.

2. The total length of the proposed road is 12 miles 6 furlongs and 268 feet of which 10 miles 6 furlongs and 83 feet is in the British portion and 2 miles 185 feet in His Highness the Nizam's.

3. The President considers that the construction of the British portion of the road would not serve the end in view unless His Highness' Government constructs and properly maintains the portion lying in its jurisdiction.

4. At the instance of the President, Dt. Board, I have the honor to request that the Hyderabad Government may be requested to state how far it will co-operate with the wishes of the Kistna Dt. Board.

5.. An early reply is solicited.
