1896-97 as detailed in the state-

The proposed scale sanctioned in G. O. No: 1902 Wd/1 July 1896 amounted to Rs. 6,117 and the present scale shown in the statement now submitted by the S. C. amounts to Rs. 7,137, the excess being Rs. 1,020. This difference is due to the following establishment sanctioned in G. O. Nos: 746 Wd/2nd March 1896 and 1757 Wd/12 June 1896 not having been included in the proposition statement sanctioned in G. O. No: 1902 Wd/1 July 1896.

(a) Irrigation Superintendents on Rs 40 each vide G. O. No: 746 Wd/2 nd March 1896 —	Rs 960
(b) Increase of pay to the Scribe Superintendent and the driver sanctioned in order to cover the house rent recoverable from them vide G. O. No: 1757 Wd/12 June 1896.	60
Total	Rs. 1,020

The omission to include item (a) in the proposition statement sanctioned in G. O. No: 1902 Wd/1 July 1896 is apparently due to an oversight on the part of the Examiner's office. Item (b) was sanctioned after the proposition statement disposed of in G. O. No: 1902 Wd/1 July 1896 had left the offices of the Suptg. Engineer and the Examiner.

The omission to include item (a) in the proposition statement contained in L. O. No. 1902 Waff. July 18 98 is apparently due to an oversight on the part of the Bureau's office. Item (a) was omitted after the proposition statement disposes of in L. O. No. 1902 Waff. July 18 98 has left the office of the Asst. Dir. and the Bureau.
