PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following papers:-

From the Government Agent, Godavari, dated 21st March 1896, No. 74, submitting plans and estimates for Rs. 2,950 for constructing quarters for the Hospital Assistant at Polavaram.

From the same officer, dated 8th April 1896, No.

As Government has recently resolved in its order¹ No. 393, Judicial, dated 26th February 1896 to postpone the building of a residence and office for the Special Assistant Agent sine - die and has permitted him to make Rajahmundry his Head Quarters until further orders, I have the honour to bring to the notice of the Government the necessity for the construction of a Cutcherry building for the Deputy Tahsildar of Polavaram at a very early date.

2. The condition of the building now rented for the Deputy Tahsildar's office at Polavaram is described thus by the Special Assistant Agent:-

"The Deputy Tahsildar's office is now located in
"a private house with totally inadequate accommodation for
"his office, his court house, his records, Sub Treasury and
"Police guard. The room now used for Securing Government
"Treasure is in no way suited for the purpose for
"put. A few bamboos spread over the top of the
"as a ceiling. It is accessible from outside.

over the walls from the verandah. For want of iron bars the Police cannot keep the guard in the interior. The outside door is wooden one. There is no better/rented building available at Polavaram".

3. The Special Assistant Agent adds, "In connection with the erection of a dispensary at Polavaram Government have lately acquired a considerable plot of ground secure from inundations which the zamindar has given up without taking compensation. Only a small portion has been used as a Dispensary site and plenty of room is left for the construction of a Deputy Tahsildar's Cutcherry, Sub Treasury and Police lock up".

4. I therefore solicit that Government will be pleased to sanction the preparation of the necessary plans and estimates the Public Works Department at an early date.

From the same officer, dated 25th June 1896, No. 74 & 54, sitting with reference to Government Memorandum, No. 9814/1366, dated 8th May 1896 ^{and 10th July respectively} regarding the construction of a building for the office of Deputy Tahsildar at Polavaram.

O R D E R:-No. 1298, dated 13th August 1896.

The necessary orders for the preparation of plans and estimates for an office building for the Deputy Tahsildar of Polavaram will accordingly be issued in the Public Works Department.

The plans and estimates submitted by the Agent for the Hospital Assistant's quarters will be transferred to the Public Department.
