

Public Works (189) Department.

CURRENT No. 7450-

#6
B
Order No. 2583W, dt 4-September 1896.
26.8.96

The clerk was re-
duced from the 3rd class 3rd
Grade (Rs. 50-60) to the 4th
Class 2nd Grade (Rs. 30-40) &
as his subsequent promo-
tion to the 4th class 1st Grade
(Rs. 40-50) did not restore
him to his former position,
he may still be regarded
as under reduction. The
Govt. considers therefore
that under the spirit of
Art. 171 (b) C.S. Regs, he
may be allowed the
maximum salary of his
present grade, & pay of
Rs. 50 per mensem will
accordingly be passed
to him from the date of
this order.

Enclosure - one.

The humble petition of Mr. Vasudava Rao Naidoo most respectfully sheweth -

1. That your petitioner was previous to December last a III class 3rd Grade Clerk of your honour's Office and that he was drawing Rs 58. He was reduced then by the late Supt. Engineer, Colonel D. McNeil Campbell R.E. to a IV class 2nd Grade Clerk's place on Rs 30 rising to Rs 40 and was transferred to Kurnool Division. On his representations your honor was pleased to reconsider his pitiful case and to restore him to the IV class 1st Grade Clerk's place on Rs 40 rising to Rs 50 and to take him back to your honour's Office. He is now drawing the minimum pay of Rs 40.

2. The petitioner thinks that on a perusal of the records of his case, he had been very severely dealt with. Colonel D. McNeil Campbell R.E. who reduced him, also thought that the treatment was too severe but could not alter his order for the sake of discipline. He was however pleased to keep on record a note that if your petitioner gives satisfaction to the Exec. Engineer he might be reinstated. Your petitioner has given satisfaction to the Exec. Engineer of Kurnool whom he served and he has kindly certified the fact. Your petition is now verging on old age and

Engineer, Public Works Dept
with a request that he will
be good enough to obtain
the sanction of Govt. under
Article 171 (b) of the Civil
Service Regulations, to allow
of the Clerk drawing the maximum
pay of the grade. I think he has
been sufficiently punished in his
life.

District Engineer's endorsement on the above.
The District Engineer has learnt
with much pleasure that his writer has acquitted
himself well under the extra pressure of work at
the Wilson Tank. The extra pressure of work at
existing public works cannot claim any extra remuneration
but his having acquitted himself well to the District
satisfaction constitutes a claim to consideration
in future when occasion arises.

Offr. District Engineer.

I have had little opportunity of judging
of his qualifications from personal observation,
but Mr. Lalor, Supervisor under whom he has worked
speaks highly of him as a hard working & intelligent
man.

Vasudava Rao writer in this Office was
never strictly under my direct orders, he was
the Supervisor's writer, but he has often worked
for me. I have much pleasure in stating
at his request that I always found him a
very hardworking, painstaking & intelligent
man. He is drawing a pay far below his
deserts and I should strongly recommend
his promotion if I could.
