ENCLOSURE.

Sir,

Referring to my remarks against
item 8 of the Divisional O. S. Statement
for September 1895, I have the honor
to state that the objection of the
Examiner P.W. accounts to the supply
of pulleys by this Department is not
quite understood. In G. O. No. 12284
dated 18th May 94 & 1994 of 13 August
94. it has been ruled that repairs to
buildings constructed on type designs
should be carried out by this Depart-
ment irrespective of the amount of
estimate, & as the pulleys were supplied
at the request of the District Judge who
requires
