PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper :—

From the Inspector-General of Registration, dated
12th August 1896. GNo. 5093.

The Government having, in G.O., No. 1767, Judicial, dated 24th August 1895, sanctioned the construction of an office building for the Sub-Registrar of Kalahasti, in the North Arcot District, arrangements have been made for building the office in the same compound as the Deputy Tahsildar's Office, no better site being available for the purpose. Close to the site selected, however, is a latrine which is marked in the accompanying plan as a public latrine, but which is intended solely for the use of the female convicts in the sub jail attached to the Deputy Tahsildar's Office. It is, accordingly, proposed to demolish the latrine and to rebuild it, at a cost of Rs. 500, at some distance from the site referred to-vide Superintending Engineer's letter dated 1st August 1896, No. 303, copy enclosed. Under the circumstances, I have the honour to request that Government will be pleased to accord sanction for carrying out the works referred to.

O R D E R:- No. 1365, dated 21st August 1896.

Sanctioned accordingly.
