To

His Excellency,

THE RIGHT HONOURABLE
THE GOVERNOR IN COUNCIL,
Fort St. George.

The humble petition of C. A
CALMIANO, Sub-Divisional
Clerk, P. W. D. Wynaad.

RESPECTFULLY SHEWETH,

That Petitioner respectfully ventures to submit his hard case for just and benign consideration.

That he is at present the Sub-Divisional Clerk in the Wynaad P. W. D. Sub-Division and has a service of 5 years and 6 months, during which he has had opportunities of familiarising himself with accounts work. In January 1894, Mr. J. M. Bell, the then Executive Engineer of the West Coast Division, was pleased to certify that he was "very well satisfied" with Petitioner's "work, attendance, and conduct" and that he was sure Petitioner would in time "make a very good accountant." In February 1895, Mr. J. Pereira, the then Sub-Divisional Officer of the Wynaad Sub-Division, under whom Petitioner was then serving, was pleased to record the following testimonial in his favor.

"Mr. C. Calmiano, was the Sub-Divisional clerk when I held charge of the Wynaad Sub-Division from July 94 to February 95. His transfer from the Divisional to the Sub-Divisional Office, Wynaad, was in consequence of the heavy work in the latter which the then present clerk could not cope with. This clerk joined the Sub-Division with heavy arrears and I have much pleasure in testifying that through his steady, diligent and hard application I was enabled within a short time of his joining, to report that I had cleared all arrears. I consider Mr. Calmiano an efficient Sub-Divisional Clerk. He has always

given me every satisfaction both as a clerk and an accountant. In the last quarterly return of clerks Mr. Calmiano was reported eligible for promotion, in which I hope he will soon succeed."

That Petitioner successfully passed the Entrance Examination for Accountants in September 1895, when he was 24 years and 11 months old. This was before the G. O. No. 555 W., dated 13-2-96, prohibiting the appointment of persons above 25 years of age as accountants, came into force.

That although Petitioner successfully passed the test before attaining the age of 25 and although he has 4 years experience of departmental accounts work, the prohibitory G. O. above referred to has had retrospective effect against him and he is debarred from reaping the benefit of his having passed before he attained the age of 25.

That Petitioner most humbly and deferentially submits that Government has always graciously adhered to the equitable principle that orders of such a nature as the one now under reference should not operate to the disadvantage of men already in service. That in Petitioner's case, there is the additional circumstance in his favor that he has professional experience extending over a period of 4 years.

That unless the order under reference is graciously read in an indulgent light, all Petitioner's honest exertions to better his prospects in the department will have proved in vain.

That the enclosed letters and testimonials will amply indicate that Petitioner has from the commencement of his career worked diligently and intelligently and thereby established for himself a claim to promotion into the rank of accountants.

That on principle, the G. O. cannot be held applicable in his case. He passed not only before he was 25 but also applied to both the Superintending Engineer IV Circle and the Examiner of P.W. Accounts to have his name registered for the post of an

accountant before the G. O. itself came into existence and before he completed his 25th year. If the Order can be held to apply to his case, then, by an analogy of reasoning, it would also operate against a candidate who may pass at the age of, say, 21, but who, owing to departmental exigencies, would have to wait over 5 years for an opportunity to become an Accountant. Petitioner is respectfully confident that this is by no means the spirit and intent of the G. O. in question.

That under the above circumstances Petitioner humbly prays that an order may be graciously passed which would exempt him from the anomalous disability of rising to the rank of an Accountant.

For which act of justice Petitioner shall, as in duty bound,

EVER PRAY.

Sir,

With reference to your Endorsement No. 4795 on Superintending Engineer's No. 103, dated 17-3-96, 7th March 1896, I have the honor to report that Sub-Divisional Clerk Mr. Palmiano is now 25 years and 4 months. He passed the Examination when he was 24 years 11 months and before the Government orders referred to came in force. Under the circumstance I see no reason why his name should not find a place in the list.

I can further certify that Mr. Palmiano is a competent hand to be trained as an Accountant as I am satisfied with his work.

I beg to add that he has already submitted an application to the Superintending Engineer bearing this office Endorsement No. 1

No. 539 for the post of an Account clerk and
14-10-95
me to the Examiners requesting to register his name
for a place in the Accounts Branch.
