Item 14.—Surrendered as no more payments have to be made.

ORDER—No. 2632 W., dated 12th September 1896.

The Superintending Engineer, VI Circle, has proposed, in the paper recorded above, a surrender of Rs. 25,400 from the grants for the under-mentioned Meteorological buildings at Kodaikánal :—

	RS.
(*a*) Observatory building	15,000
(*b*) Residence for the Superintendent	7,000
(*c*) Quarters for the Observatory establishment	3,400
Total ...	25,400

Estimates aggregating Rs. 6,396 for quarters for the Second Assistant, writer and servants having been forwarded for the countersignature of the Government Astronomer, there is every probability of the sum of Rs. 3,400 referred to in item (*c*) being utilized in the current year. The balance, viz., Rs. 22,000, or Rs. 27,390 inclusive of establishment and tools and plant charges, will be withdrawn and surrendered to the Government of India.

2. The following sums are resumed and credited to the Provincial reserve :—

		RS.
(*a*)	Stationary Sub-Magistrate's office at Dindigul	4,000
(*b*)	Sub-Registrar's office at Rajapalaiyam	1,000
(*c*)	Residence for the Assistant Superintendent of Police, Tuticorin.	5,000
(*d*)	Residence for the Executive Engineer at Palamcottah	1,460
(*e*)	Sub-Registrar's office at Vadakkuviravanallur	1,000
(*f*)	Constructing a bridge over Surilyar at Uttamapálaiyam ...	431
	Total ...	12,891

3. The following additional allotments are made from the Provincial reserve :—

		RS.
(*a*)	Taluk office at Musiri	801
(*b*)	Do. at Jayankondasólapuram	1,450
(*c*)	Stationary Sub-Magistrate's office at Perambalúr	2,500
(*d*)	Civil buildings, repairs, Trichinopoly division	8,312
(*e*)	Tools and plant, Tinnevelly division	100
	Total ...	13,163

4. The Superintending Engineer surrenders Rs. 18,000 from the grant of Rupees 20,000 for the bridge across the Varahanadi in the Madura district, as the estimate for the work has not yet been sanctioned. This estimate is now under scrutiny in the Chief Engineer's office and will probably be sanctioned at an early date. It is not therefore considered advisable to surrender more than Rs. 10,000 at present. This sum, or Rs. 12,450 inclusive of the establishment and tools and plant charges, will accordingly be withdrawn and replaced at the disposal of the Local and Municipal Department.

Note for His Excellency the Gov.

His Note dated Aug 31.

The following information is submitted:-

(a) Observatory building at Kodaikanal. This estimate is now under scrutiny in the Chief Engineer's office. It may as well be here explained that the current year's budget includes, contrary to general rule, a large number of works without sanctioned estimates. The Chief Engineer has endeavoured, by pressure on subordinate officers, to have these estimates framed and submitted with the least possible delay. The result has been that his own office is now flooded with estimates which have to be carefully scrutinised in all their details before they can be laid before Government for formal sanction. is unable to cope with this extraordinary accession of work, and he has therefore recently arranged for an upper subordinate of the Dept being attached to his office to assist the ordinary staff. He Government may feel assured that no avoidable delay will be allowed to occur in the completion of this work, the importance of which the Chief Engineer fully realises.

(c) Quarters for the Observatory Establishment. The estimate for this work is also under scrutiny in the Chief Engineer's office.

(e) Sub Registrar's office at Vadakkuvaravanallur. This is a work within the Supt. Engineer's powers of sanction, and the Chief Engineer has no information in regard to it.
