

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper :—

From the Director-General of Telegraphs, to the Secretary to the Government of Madras, Public Works Department, dated Calcutta, the 4th January 1896, No. 8231.

With reference to your letter No. 3102 W., dated the 3rd of December 1895, I have the honour to inform you that orders have already been issued for the opening of a telegraph office at Amalapuram, and I hope this will be done before the end of the year.

2. With regard to Rámachandrapuram, as a guarantee of Rs. 700 was not forthcoming, and the receipts were only estimated at Rs. 180 annually, the Local Superintendent was informed that the project might be considered abandoned. I am not aware how far the traffic of Tanuku would be a guide to that which might be expected from Rámachandrapuram; but the former office collected an average of Rs. 39 monthly during 1893-94, and an average of Rs. 26 only monthly for the first seven months of the current official year. I shall be glad to hear further on the relative importance of these two places, and whether an income of from Rs. 50 to 60 monthly can be expected from Rámachandrapuram. I shall not have funds for this work during 1895-96, but if prospects are reported good, I would hope to be able to carry out the work during 1896-97.

ORDER—No. 262 W., dated 23rd January 1896.

Communicated with reference to G.O. No. 3101 W., dated 3rd December 1895, to the Revenue Department in view to the information asked for in paragraph 2 being furnished.

(True Extract.)

Note by the Chief Engineer, Public Works Department.

The foundations of the main building are proposed to be laid partly with concrete and partly with laterite masonry. It is considered that they should be wholly of concrete, but the latter need be only two feet broader than the masonry at ground level. With this alteration, which involves a saving of Rs. 110, the estimate is submitted for sanction on the understanding that the soil is firm gravel at five feet below ground level, to which depth it is proposed to take the foundations.

(Signed) D. McNEIL CAMPBELL, Lt.-Col., R.E.,
8th January 1896. Chief Engineer, P.W.D.

ORDER—No. 263 W., dated 23rd January 1896.

The estimate, amounting to Rs. 38,390, as altered by the Chief Engineer, Public Works Department, for constructing a combined office for the Deputy Tahsildar and the District Munsif at Ottappalam in the Malabar district, is sanctioned.

2. The Superintending Engineer, IV Circle, will report the amount that can be spent on the work during the current official year.

3. Attention is drawn to the Chief Engineer's note recorded above.

4. The sanction accorded in paragraph 1 has been registered as Provincial No. 103 W. of 1895-96, and classified as Civil Buildings, Original Works.

Letter No. 4888
Dated 21 December 1895
From the Revenue Department

NOTE BY TECHNICAL SECTION.

Name of Work Constructing a combined office for the Deputy Tahsildar & Dist. Munsiff at Ootupalam, Malabar District.
Amount of Estimate, Rs. 38,500

PARTICULARS OF ESTIMATE.

Main building and sub jail	Rs. 36,000
Subsidiary Buildings { Cook room	450
{ Latrine	190
Contingencies 2 1/2 % (Rs 942)	" "
Petty Supervision 2 1/2 % (Rs 937)	" "
Land compensation for portion marked A.	50
Cleaning site & forming road	100
Plant & tools	810
Total Rupees ...	38,500

PARTICULARS OF CONSTRUCTION.

Surface soil stated to be loose gravel to a depth of 2 feet.
Sub soil 2" firm gravel below 2 feet.
Foundations are to be laid to a depth of 5 feet. The lower 3 feet to be laid with concrete & the upper 2 feet built with kankari stone in mortar.
Basement is to be raised 3 feet & built of kankari stone in mortar.
Walls of basement floor are to be raised 15 feet to top of terrace & the first floor cross room 18 feet & the other rooms 15 feet to top of the beam with 1 brick with kankari stone in mortar with arch work over doors, windows &c.

Major's report: The foundations are to be laid to a depth of 5 feet. It is therefore, with clear shelter the foundations will rest on suitable soil on which. Manifestly the depth of the soil reported on should not be less than the depth to which it is intended to take the foundations.

Plastering & Pointing both interior & exterior
faces of walls are to be plastered with
2 coats of chunam.

Flooring is to be of 9" sq paving bricks laid over
4" of cement concrete, except the jail
wards, record, & Police & Prison
wards which are to be of 3/4" asphalt over 4" concrete.

Roofing of the first floor is to be of Mangalore
tiles laid over timber rafters & ceiled with
3/4" Cedar planks, that of the basement floor
is to be of 1 1/2" Karimnagar planks or
equivalent the verandahs which are to be tiled.

Doors and Windows are to be of the descriptions
noted in the estimate of the Jail
ward, record & Police & Prison
wards & painted 2 coats.

Roof timbers are to be mainly of teakwood &
partly of iron wood for rafters &c, as de-
tailed in estimate.

Scantlings are correct.

Rates are fair.

The plinth area of the main building is
8802 square feet, and the cost per square
foot will be Rs. 4.3.0 for a double & single
storied building.

The plans and estimates have been countersigned
by the District Judge & Collector
and approved in the Revenue Depart.
Department.

REMARKS.

The plans & estimate under review
amounting to Rs 38,500 have been framed
with reference to G.O. No. 34 W dated 9th
Jan 1894 and provide for constructing
a combined office for the Deputy Tahsil-
dar & District Munsiff with sub-
sidary buildings at Ottapalam
in the Malabar Dist.

The design, as is stated, has been
prepared in consultation with the
local Revenue & Judicial authorities
& the area of accommodation proposed
for both the offices has been based
on the type designs circulated with
G.O. Nos 1098 W & 3122 W dated 21st Apr 87
& 20th Nov 1891 respectively with slight
modifications to suit local circum-
stances & conditions. The base-
ment floor will be occupied by the
Deputy Tahsildar & the first floor by the
District Munsiff.

Provision has been made for a
sub jail cook room, as per type
design approved in G.O. No. 1409 W
dated 28th May 1889 & for a sub
jail latrine as per design given
dated with G.O. No. 1709 W dated
9th July 1894 also for 21 wooden
record racks, 6 for the Dist Munsiff
& 15 for the Deputy Tahsildar, as per
design approved in G.O. No. 802 W
dated 13th Sept 1891 with movable
wooden ladders for each office.

The foundations for the main
building are proposed to be partly
laid with cement & partly of
masonry, the cement to be
substituted to ground level with
width 2 feet over the masonry as
shown the estimate will be re-
duced by Rs 110.

From the estimate it is seen that
to be done with 2" wooden
affiliated to this process the
estimate may be
sanctioned with
understanding that the
soil is from gravel at 5
feet below ground level
which depth it is
proposed to take the
foundations.

3.1.96.
The design, as is stated, has been
prepared in consultation with the
local Revenue & Judicial authorities
& the area of accommodation proposed
for both the offices has been based
on the type designs circulated with
G.O. Nos 1098 W & 3122 W dated 21st Apr 87
& 20th Nov 1891 respectively with slight
modifications to suit local circum-
stances & conditions. The base-
ment floor will be occupied by the
Deputy Tahsildar & the first floor by the
District Munsiff.
