In disposing of the Confidential Reports for 1895-96 on Royal Engineer Officers it has been noticed that a great many of them have been prepared on obsolete forms.

As the authorities at the War Office are very particular in requiring reports to be rendered on the latest revised form I have the honor by direction of the Commander-in-Chief in India to request that Your Excellency will be good enough to take such steps as may be necessary to insure the correct form being used in preparing Confidential Reports on Royal Engineer Officers -
