SIR,

Under G.O. No. 2806 W & 7th October 1892, I have the honour to request sanction to build a timber shed for the P. W. Workshops at Madras.

2. Owing to the large quantities of wood work now being done at the Work Shops, the shed space is insufficient, and the wood work suffers from exposure to the sun and rain. The shed which it is now proposed to build is accordingly very necessary.

I have the honour to be

Sir

your most obedt. Servt.
