PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper :—

From the Commissioner of Police, Madras, dated 5th
August 1896, No. 78.

I have the honour to request that you will be good enough to direct the Consulting Architect to prepare a plan and estimate for construction of an open work wall which would enclose the compound and land belonging to and surrounding the Police Commissioners' Office, as has been done in regard to the Government Maternity Hospital and Surgeon Lt. Colonel Branfoot's residence and to the Connemara Library, both public buildings in the neighbourhood.

2. On the Police Office land, no hedge will grow on 2 sides owing to the growth of Municipal avenue and other trees and on the 3rd side, the old hedge (which has existed for the last 100 years) is quite worn out.

3. The compound also abounds with Cobras and other venomous snakes, to which the hedges give shelter.

4. I shall, on receipt of your order, communicate with the Consulting Architect, as regards the details.

ORDER .- No. 1321, dated 15th August 1896.

The necessary orders for the preparation of plans
and

and estimates will accordingly be issued in the Public Works Department.
