PUBLIC DEPARTMENT.

READ—the following papers :—

Letter to the Secretary to the Government of India, Home Department, dated Fort St. George, 16th November 1895, No. 950, Public.

I am directed to forward, for such action as the Government of India may deem necessary, a letter addressed by one Kandasamy Pillai, proprietor of the Gnana-ruthnagara Press, Dindigul, to the Private Secretary to Her Majesty the Queen-Empress.

2. The contents of this communication are of such a nature that, had there been any rule relating to the transmission of petitions under which it could possibly have been disposed of by this Government, the Government of India would not have been troubled with it. As, however, there appears to be nothing that would fit the case, the only course open is to forward the letter.

3. I am to request that this Government may be informed, for future guidance, how communications similar to that referred to above should be treated.

(Signed) J. F. PRICE,
Chief Secretary.

From L. M. THORNTON, Esq., Deputy Secretary to the Government of India, Home Department (Public), to the Chief Secretary to the Government of Madras, dated Calcutta, the 12th December 1895, No. 2007.

I am directed to acknowledge the receipt of your letter, No. 950, dated the 16th ultimo, forwarding a letter addressed to the Private Secretary to Her Majesty the Queen, Empress of India, by one M. Kandasamy Pillai, a Hindu astrologer and proprietor of the Gnanaruthnagara Press at Dindigul.

2. With reference to the request of the Government of Madras to be informed, for future guidance, how similar communications should be treated, I am to say that there is no objection to addresses being sent on to the Government of India in doubtful cases. I am to add, however, that there would have been no objection in the present case to the suppression of the address by the Local Government.
