NOTE BY TECHNICAL SECTION.

Name of work Reroofing the Job Dept. room
for Press buildings, Madras.
Amount of estimate Rs 3744.

The accompanying plan and estimate, amounting to Rs 3744, have been framed with reference to Gov. W 255W dated 4th August 96 and provide for removing the existing terrace roof of the Job Department room & reroofing the same by raising the walls 5'9" higher, even to be in level with the adjoining northern rooms as per facing plan.

The existing timber beams are reported to have all sagged & giving way. Provision has therefore been made in the estimate for rolled steel girders of a section 18"x7" to replace the wooden ones.

Provision has also been made for fitting glazed shutters in the east & west walls between the girder pillars, in order to admit sufficient light.
