To:

The Chief Engineer for Irrigation
Madras.

Sir, I have the honor to request that an office rent of Rs 15 per mensem, may be sanctioned to W. Hutton Esquire, Assistant Engineer, as an office is necessary for him in which to keep his instruments and records. Besides, the Surveyor and Overseer under him have to do their plotting work under his immediate supervision.

2. The house which Mr. Hutton has recently rented is sufficiently large to accommodate the office establishment, records &c, and also for him to live in.

I have the honor to be
