PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read again G. O. No. 1639, d/

30th April 1896, addressing the Government of India on the subject of granting house rent allowance to Miss Pogson, Meteorological Reporter to the Government of Madras.

Read also the following letter from the Govt. of India, Revenue and Agricultural Department (Meteorology), No. 1680/33-2:-dated the 13th July 1896:-----

I am directed to reply to your letter No. 1640, d/ 30th April⁷ last, recommending the grant of a house rent allowance to Miss Pogson, the Meteorological Reporter to the Government of Madras.

2. It is understood that under the present arrangement Miss Pogson rents a house for Rs. 100 a month in which she lives herself and accommodates the Meteorological Office. She is paid Rs. 50 per mensem by Government for the rent of the Office and the remaining moiety of the rent is paid by her although she occupies only two rooms. It has not been possible to reduce the proportion of the rent paid by Miss Pogson, although it is unduly large compared with the accommodation occupied by her, because under the orders of the Finance Department's Resolution No. 3253 dated 17th October 1879 Miss Pogson cannot receive ~~Rs.~~ from Government more than half the rent of the house.

3. The Government of Madras consider that, as Miss Pogson is obliged to reside at her Office premises in order to perform her official duties and as no Government building is available, she should be given a house rent allowance of Rs. 100 a month. In the opinion of the Government of India, however, her claims would be equitably met if the house were rented by Government and not by Miss Pogson and if she were assigned quarters in it at a fair rent. It is within the com-

competence of the Madras Government to make this arrangement and I am to suggest its adoption if the Governor in Council sees no objection to the proposals.

OFFICE OF THE CONSULTING ARCHITECT
TO THE GOVERNMENT OF MADRAS,

No.

Chepak, _____ 189 .

Copy of a communication from the Sub Divisional Officer
to the Sub Division. to the Consulting Architect
to Government, No. 332, dated 28th August 1896.

With reference to G.O. No 3085C dated 14th August 1896. I have the honour to forward a plan of the building occupied by the Meteorological Reporter to Government from which it will be seen that only one room and bath room are occupied by Miss Pagion as her private rooms.

The area of these rooms is 458 Sq feet the area of all other rooms being 2524 Sq ft. The building rents for Rs 100, so Miss Pagion's share of rental would be Rs 15/- per annum.
