The C.A. should have applied for sanction to the transfer of a sum of Rs. 5578 from Minor to Major Works, all the works having been originally intended to be met from Minor Works grant. As however he has applied for an additional allotment it has been proposed to be appropriated from the Reserve. The balance in reserve is Rs. 12,107.4 if Rs. 5578 be now allotted there will be left only Rs. 6529 against Rs. 10,000 which should be reserved for works at Govt Houses Madras & Quindry & for the drains near the Govt. It will not be difficult to find money for the latter works when required.

under major order to cover
the cost of these estimates.

The minor works grant
to the division is insufficient
to admit of a transfer
from minor to major.
