READ—the following paper:—

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 14th January 1896, No. 16.

I have the honour to state that the District Medical and Sanitary officers named in the margin bring to my notice that under G.O. No. 2806 W., dated the 7th October 1892, the local authorities of the Public Works Department object to prepare the estimate for quarters for medical subordinates referred to in G.O. No. 528, Public, dated the 26th June 1895, without the sanction of Government, as the cost of construction is likely to exceed Rs. 500, and to request therefore that necessary orders may be issued in the Public Works Department for the preparation of the estimate in question.

No. 146, Public.
