From Lieut. Colonel C. C. Rawson R.E.

SUPERINTENDING ENGINEER, V CIRCLE,

To

THF Chief Engineer P.W. Department

SIR,

Enclosures.

I have the honour to request sanction under G.O. No 2806 Wd 7th October 1892, to adding an upper story to the Division Office building at Tanjore.

2. The present building was built to accommodate the Divisional Office and stories, one Sub Div. Office (Tanjore Sub Div.) and one overseer. The Executive Engineer's room is not a cool one and the Tanjore Sub Div. Officer has not sufficient accommodation. Further accommodation is required for another

Rule

Sub. In: Officer (Head quarters) and one
Overseer, as two Sub In: Officers
and two Overseers have their Head
Quarters in Tanjore.

3. Much inconvenience is experienced
for want of accommodation which
it is proposed to obtain by building
an upper story

I have the honour to be

Sir

your most obedt. Servt.
