To.

The Secretary to the
Government of India P.W.

Sir,

I am directed to inquire whether the spirit of the note to para 12, Chapter V, Volume IV P.W. Code (S.O. No. 751 of 1896) is applicable to the purchase by Government from Guaranteed or State Railways of stores of European manufacture required for ordinary Public Works.

2. Cases are not infrequent in which stores such as old Railway rails or other material are purchased for buildings &c, and as there is no definite rule on the subject, sanction of Government to such purchases has to be obtained under para 3 Appendix X Volume II P.W. Code.

3. As it may be accepted
that the rules have been
applied

purchase of the stores,
I am to suggest that
such transactions may
be included among the
