READ—the following paper :—

From H. W. FOSTER, Esq., Registrar of the High Court of Judicature, Appellate Side, to the Chief Secretary to Government, dated Madras, 16th May 1894, No. 1545.

In G.O., dated 6th September 1893, No. 1814, Judicial, the Government directed the preparation of plans and estimates for the construction of a Court-house for the District Munsif of Villupuram in the South Arcot district. The orders have been carried out, but on examining the plans submitted for its approval, the High Court finds that they have been prepared according to the type design of 1887 and that effect has not been given to the suggestions for revision of this design contained in my letter No. 2285, dated 29th August 1893 (printed in G.O., No. 2510 W., dated 2nd October 1893, and referred to in the Consulting Architect's letter to be found in G.O., No. 29 W., dated 8th January 1894).

2. I am accordingly to forward the plans and estimates to the Government with the request that the contemplated revision of the type design may be carried out and the plans returned to the Superintending Engineer to be brought into accordance with the design as modified.
