When can we get the plan that must be in the office & the Govt. Madras

W

Plans should be in the Consulting Architect's office, covered the date, under para 5. Chap X. Vol I of the P.W. Code.

The buildings have undergone extensive alterations since they were in the Ex. Eng's charge, and his plans, if he had any, would not be of much use now.

Plans are not available.
If however the entertainments
of a temporary draftsman on
Rs 30 per mensem is sanctioned
for a period of 3 months they will
be got ready for transmission
to the Government of Bengal
by about the beginning of
August 1896.

2. The cost of this temporary
establishment is properly debitable
to Bengal but under the circum-
stances, Government may
perhaps be inclined to waive
the claims to recovery from
that Government.

3. If you wish the work
put in hand, I would suggest
early orders as to the entertain-
ment of the draftsman
