READ—the following papers :—

From the Superintending Engineer, I Circle, dated 29th August 1896,
No. 602 G.N.

ABSTRACT.—Requesting the supply of a copy of the "Instructions to Observers of the India Meteorological Department" for use in the Ganjam Division office.

From Miss E. ISIS POGSON, F.R.MET.Soc., Meteorological Reporter to Government, to the Joint Secretary to Government, Public Works Department, dated Madras, 18th September 1896, No. 876.

With reference to your memo., No. 3311 C., dated 11th September 1896, I have the honour to inform you that copies of the "Instructions to Observers of the Indian Meteorological Department" can be obtained from the Meteorological Reporter to the Government of India, Calcutta. I must, however, remark that the view of the thermometer shed shown in that book is of the sheds used in Bengal and Bombay and not in the Madras Presidency. Plans of the latter are in preparation and will be supplied to you shortly.

ORDER—No. 2819 W., dated 1st October 1896.

Communicated to the Superintending Engineer, I Circle, with reference to his letter, No. 602 G.N., dated 29th August 1896. Copies of the Instructions will be applied for and distributed on receipt.

2. Copies of the plan promised by the Meteorological Reporter to the Government of Madras will also be supplied to Superintending Engineers.

[Here enter No. 2820 W., dated 1st October 1896.]
