OCTOBER.

Letter from the Deputy Adjutant-General stating that His Excellency the Lieutenant-General Commanding the Forces concurs in the view that the —, being a military one, the cost of repairs thereto should be borne by the Military Works Department, communicated to officers concerned, in supersession of G.O., No. 1694 W., dated 8th June 1896.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following papers:—

From Lieutenant-Colonel C. C. RAWSON, R.E., Acting Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Chepāk, 20th August 1896, No. 2661.

In G.O., No. 1694 W., dated 8th June 1896, the inclusion, in the list of churches and cemeteries to be repaired by Public Works Department, of the church building at the Remount Depôt at Hosūr (Mattigiri) was sanctioned. The Executive Engineer, Military Works Division, Bangalore, now states that he has ascertained that the church building to which repairs were done and for which a debit of Rs. 9-8-2 was raised, is a school building (which is a military building) in a portion of which the church is held. Under the circumstances, therefore, the inclusion of the building in the list published with G.O., No. 2746 W., dated 17th October 1891, is not necessary, and orders of Government to this effect are requested.

No. 1150 D.

Referred to the Deputy Adjutant-General, Madras Command, for favour of His Excellency the Lieutenant-General's remarks.

2. If, as now stated by the Consulting Architect, the building in question is a military one, the cost of repairs should be borne by the Military Works Department, and there appears no reason why a debit should be raised to Provincial funds.

3. Copies of G.O., No. 2746 W., dated 17th October 1891, and No. 1694 W., dated 8th June 1896, are enclosed.

(Signed) D. McNEIL CAMPBELL, Col., R.E.,
Joint Secretary to Government.

26th August 1896.

From the Deputy Adjutant-General, Madras Command, to the Joint Secretary to Government, Public Works Department (through the Chief Engineer, Madras Command, Military Works), dated Ootacamund, 16th September 1896, No. B./M.W. 9103.

The building in question being a military one (a school-room, a portion of which is used as a church), His Excellency the Lieutenant-General Commanding the Forces concurs with you in the opinion that the cost of repairs thereto should be borne by the Military Works Department.

2. The Government Orders received with your reference have been retained.
