OFFICE NOTE No. 477A

Dated 4th September 1896.

From

THE CHIEF SECRETARY,

To

THE SECRETARY, Public Works DEPARTMENT.

Official Memorandum

N^o 1657, dated 20th September 1893, the Public Works Department was requested to furnish an estimate of the cost of connecting the rooms in Storehouse occupied by the Chief Assistant to the Chief Secretary and the Clerks of the Chief Secretariat by means of a speaking tube of the ordinary design, and in N^o 537 dated 16th March 1894, the Public Works Department was requested to have the tube ready by the 15th April.

In Official Memorandum dated 18th April 1894 the Public Works Department was informed that the speaking tube put up was defective and was requested to remedy the

the defects. This was, however,
not effectively done and the tiles
remained in an unserviceable
condition and this year the mouth
pieces have been removed as they
were only in the way.

As the convenience resulting
from a serviceable speaking tube
between the Chief Assistant's
room and the office would be
very great the undersigned has
the honour to request that attention
may again be directed to the
matter and an efficient tube
provided before next season.

Chief Secretary
