ORDER—No. 961, Public, dated 5th September 1896.

In G.O., No. 911, Public, dated 28th October 1891, sanction was accorded to an increased charge allowance of two rupees *per mensem* to each hospital assistant, who was not by birth or education a Telugu, while in charge of a dispensary in a district the vernacular of which is Telugu, provided he qualified colloquially in that language.

2. In his letter of the 13th May the Accountant-General enquires whether the allowance is to be restricted to hospital assistants in independent charge of dispensaries; and with his No. 2160 of 14th July he submits a statement of particulars regarding hospital assistants to whom the allowance is being passed.

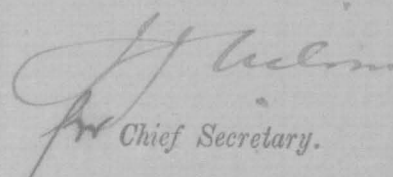

3. His Excellency the Governor in Council is pleased to direct that the allowance of two rupees *per mensem* shall be passed in future in all cases in which the knowledge of Telugu assists the hospital assistant in the efficient discharge of his duties, no matter whether his charge be a dispensary, jail, Collector's establishment, &c. Men who are by birth or education Telugus will be prohibited from receiving the allowance under any circumstances, and any such as have hitherto drawn it in contravention of G.O., No. 911, Public, dated 28th October 1891, will now be required to refund it. Retrenchments need not be effected in other cases.

4. It will rest with Collectors to decide, when application is made for examination in accordance with G.O., No. 104, Public, dated 13th February 1892, whether the allowance is admissible.

5. These instructions will apply also to Uriya in the Vizagapatam and Ganjam districts, with reference to G.O., No. 30, Public, dated 19th January 1893.

6. The importance on every ground of posting men to districts the languages of which they know will be impressed upon the Surgeon-General.
