Letter from Mr. A. Joyce, Executive  
Engineer in charge of Madras Division,  
to the Superintending Engineer 6<sup>th</sup> Circle No 299.S.R.  
dated 20<sup>th</sup> August 1896

I have the honor to forward herewith  
a copy of disallowance made by <sup>some</sup> ~~him~~ in the pay bill for July 1896, with his  
remarks and my own.

He appears to wish the matter  
referred to Government, I cannot quite  
understand, if it is in reference to my  
being on the staff in charge of the head  
works Periyar or to my being entitled  
to the allowance.

With regard to my being on the  
staff in charge, I can only refer to the  
Government order No 1197W dated 6<sup>th</sup>  
April 1896 directing me to take over charge  
and also to the report when I finally  
completed taking over charge.

I claim the allowance in  
accordance with Rev. Code Volume I  
Appendix T of Indian Public Works Code,  
and think that I am entitled to it.  
There is no mention there about being  
on the staff in charge or having one's  
head quarters in the Periyar tract of  
country

Country.

No 1009md,

Copy, with the enclosure, is submitted to the (Chief Engineer, R.W.D., for orders. I have no knowledge of the terms of the Government order on which the entries in Appendix T, Volume I of the Code are founded -
