To

The Secretary to the Government of India, P.W. Department.

Sir,

I am directed to acknowledge the receipt of your letter No. 2133 G dated 25th August 1896 forwarding copy of a telegram from A. Ranga Rao, late an Accountant in the Madras P.W. Madras Government in the matter, they would have no objection to the case being reopened, if on reconsideration, His Excellency the Governor in Council sees any reason to suppose that Justice has not been done or that the applicant has been treated with undue severity.

2. In reply, I am to say that Ranga Rao was not dismissed in 1893 without the fullest and most careful consideration having been given to his case, and that His Excellency the Governor in Council has only recently reviewed the circumstances anew, and has come to the conclusion that the punishment of dismissal was fully deserved. Under these circumstances His Excellency in Council is not of opinion that the case should be reopened.

I should feel obliged if my Hon. Colleagues if they would kindly record their notes on this, before I write mine.

I cannot see that there is any ground for re-opening the case. In my view of it is that when Runga Row was dismissed he only got his deserts.

BS 9/9/96.

I see no proper dealings with a contractor seem to me a ground, that he or a man has ruined his means should be an open door for an officer of the Govt. The fact was dismissed in '93, & I don't think the case ought to be re-opened

The case has only recently been reconsidered by Government, and the views of Hon. members are noted on the original file of ×G.O. 2360 W dated 14th August 1896.
