ENCLOSURES.

No.

No 3826 of 11th September 1896

From C. H. J. Norfor Esquire
Executive Engineer Tanjore Division
To the Supg. Engineer, V Circle, Madras.

Sir,
With reference to your endorsement No 24178
on Chief Engineer's Memo No 2903C, 23.7.96, I have the honour to
inform you that it is not intended to rent separately a
building for the Office of the Sub Div. Officer at Tranquebar but
to allow that officer to locate his Office in his own quarters there.
2. The Sub Div. Officer states in his letter No 1265, 31.5.96 that a
house might, he thinks, be rented for Rs 25 a month and in this
he means to have his Office as can be gathered by the last para
of his letter - and in my letter to the Sub Div. Officer No 1669, 25.4.96
I distinctly made this proposal. The Sub Division Office is now
located in a building at Mayavaram for which Government pay
Rs 5 a month.
3. I think the transfer of Head Quarters might be made to
Tranquebar and the Sub Div. Officer permitted to charge Govern-
ment with rent for his Office in his own quarters, not exceeding
Rs 5 a month, ^{whenever} ~~whenever~~ he pays himself for the building.
4. The present Sub Division Office is, I know, willing to allow
this arrangement.

With reference to the above, I beg to report that there is a house available for sale within Srangurthas Fort in a very good locality, close to sea, near the Customs House building and almost opposite to Mr. Radan's Big Bungalow. It has up stair room.

The accommodation available in the first floor is.

Rooms 16x18

On the 2^d floor there is one room 41x18 with a partition wall dividing it into two rooms. It has a tiled roof and Verandah on 3 sides.

In addition to this there are a number of out houses such as Cook rooms and Godowns, no stables but

Some

Some of the out houses may be converted into stables; there is a spacious Court Yard.

This house originally belonged to one person, subsequently about half of it with upstairs room was sold to another man. It now belongs to two persons viz Venkata Rama Aiyer and Chinna Swami Naider. Both are willing to sell the property. The price demanded for the whole property is about Rs 3000, approx. - ximabe Cost of putting it in thorough order will be Rs 1500.

The whole house if purchased will do very well for Office and quarters now for European Officers.

There are no other houses available for sale suitable for the purpose — but there are four houses available for rent.

One of these is Mr. Nadar's house situated about 100 ft below the house

house mentioned above. It has a long row of rooms of different dimensions on the 1st floor with one upstairs Room.

Rooms on first floor.	
No 1	$31\frac{1}{2} \times 14\frac{1}{2}$
" 2	$24\frac{1}{2} \times 14\frac{1}{2}$
" 3	$11\frac{1}{2} \times 14\frac{1}{2}$

Upstairs room is 31×14 with a Veranda in front 8 ft wide.

In addition to this, there are out houses. The whole house is much in need of repairs. Mr. Nadar proposes to put it in thorough order and let it for rent. He wants to fix the rent according to the value of the building. It may I think, be had for about Rs 25...

The other 3 houses belong to a Brahmin and situated in the Kings or Middle Street; one of them is a spacious building consisting of a number of rooms both in the lower and upper floors. It is now partly rented for Rs 20. Rs 50 is demanded if the whole house

house is to be let out.

The other 2 houses are not big enough to be used as residences and office.
