Note

Item 2. There is some correspondence on this subject under D Series. It has been asked to report on the construction of a beach railway which seems to affect the erection of the stables for the General Post Office, Madras.

Item 3. The S. T. Circle states in his Progress Report for April 1896, that the estimate for the work is under preparation & will be submitted shortly.

Item 4. It has been decided that the construction of the observatory should be taken after the completion of quarters for the establishment. vide para 2 of G.O. 723 Public of 30th August 1895. (G.O. 22654 of 12th September 1895). It is probable, ^{therefore that} the preparation of ~~the~~ ^{an} estimate for the work will be postponed till then.
