Extract from the statement of Objies. Shows in the account of the Green Tree Engineer, for the first division remaining unremitted to end of January 1896

No. 12	Month in which work is performed	Description of work	Remarks by the Engineer	Explanation of the work done
No. 13	January 1896	Purchasing flower pots with plants and deducting the cost to work	Deduction of Government to the purchase of pots for the removal of objection to this item	I do not think any within section was given but the hanging conforming to the work without any plants that I had several times applied to Mr. Clark for which he would not. I had at his own cost. Then the 1st division on leaving had a lot of very fine plants for sale on the 2nd division that he would sell the whole for \$2.25 (200 plants) and I took them and Mr. Clark approved of the sale.
No. 14	January 1896	Purchasing flower pots with plants and deducting the cost to work	Deduction of Government to the purchase of pots for the removal of objection to this item	I do not think any within section was given but the hanging conforming to the work without any plants that I had several times applied to Mr. Clark for which he would not. I had at his own cost. Then the 1st division on leaving had a lot of very fine plants for sale on the 2nd division that he would sell the whole for \$2.25 (200 plants) and I took them and Mr. Clark approved of the sale.
No. 15	January 1896	Purchasing flower pots with plants and deducting the cost to work	Deduction of Government to the purchase of pots for the removal of objection to this item	I do not think any within section was given but the hanging conforming to the work without any plants that I had several times applied to Mr. Clark for which he would not. I had at his own cost. Then the 1st division on leaving had a lot of very fine plants for sale on the 2nd division that he would sell the whole for \$2.25 (200 plants) and I took them and Mr. Clark approved of the sale.
