G.O.	No.	Department.	Date.

Proceedings of a Committee convened under Chief Engineer's order No 912 D, dated 30th July 1896 to examine Mr. Furnivall, Assistant Engineer, in accordance with para 24, Chapter II, Volume I of the P.W.D. Code.

President - J. Hannan, Esq. Superintending Engineer.

Members. A. A. G. Malet, Esq. Executive Engineer.
F. W. Ashpitel, Esq. Executive Engineer.

The Committee are of opinion that Mr. Furnivall failed to answer satisfactorily the questions put to him and cannot recommend his being passed. The Committee wish however to put on record their opinion that Mr. Furnivall's employment in the West Coast did not give him sufficient opportunities to acquaint himself with the construction of works and departmental procedure and recommend that he be not superseded pending his next appearance for examination.
