Sir,  
With reference to your No: 2336 dated 7<sup>th</sup> August 1896, I have the honour to state that the Sub Dy Officer reports it would be possible to get an old man as a watcher for the Assistant Superintendent's bungalow at Viru Koiler for less than Rs 5. As however there are young trees in the compound, which require watering, and as moreover the bungalow stands by itself some way out of the town, I should recommend that the services of an able bodied man be retained. Such a man living in the compound could not be got for less than Rs 5/-.  
Yours faithfully,  
J. H. M. S. S. S.

Sir,

With reference to your Ld. No: 233-B  
d/7-8-96, I have the honour to state that the  
Chingleput Sub S.D. Officer reports that the watch-  
man at Sadras has agreed to have his salary  
reduced to Rs. 3. He also states that the Chingleput  
Bungalow must have a watchman on Rs. 5, as no  
one could be had for less than that amount  
owing to the difficulty of the work in bring-  
ing water from a distance for watering trees  
in the compound.
