8th May 1895

The Sub Divisional Officer,
South Kanara

I have been on sick leave on c for
6 weeks - 42 days - commencing 13th February
and ending 26th March 1895. I heard
casually at the Examiner of P.W. Accounts
office at Madras on the 20th March on
going there for payment of money due
to me that my leave was duly sanctioned
by the Chief Engineer, and that I was
transferred to the II Circle. As however I
had no official intimation of the same
I was advised to await it. I did however
write that very day to the Suptg. Engrs.
II Circle, to know where I should be posted
as it would put me to vain expense
to go to Bangalore if I was sent to North
Arcot or Salem Division. The reply I received
is enclosed. On the 3rd April I received
intimation of my transfer from the Executive
Engineer, Kistna Western Division on which
I took further action and awaited instructions.

Finally

Finally I left Madras on the 9th April and joined at Coimbatore on the 10th April, from which latter date inclusive I beg to claim payment on full pay with travelling allowances for myself, family and luggage, as usually paid to upper subordinates of my class on transfer from one Division to another. I also beg that the leave on m.c. for 6 weeks already granted to me by the Chief Engineer and which expired on the 26th March 1895 be extended to the 9th April 1895 and that I may be allowed half pay for this extra period of 14 days beyond my leave. I was not quite well though convalescent, but quite willing to return to duty on the expiration of the sanctioned leave.

The accompanying Progress Report or Diary with the seven (7) enclosures thereto which please return to me - will explain in greater detail the action taken by me to avoid delay and expense.

I beg, etc
