

Public Works (1896) Department.

G.O., No. 2939

DATED 14th October 1896

[Despatch Abstract.]

*Telegraph Systems: Letter to the Director General of
Telegraphs requesting the favour of an early reply
to the letter relative to the question of extending the
wire to Bellary &c.*

I am directed to
invite your attention
to my letter No 1512 W
dated 14th May 1896,
relative to the question
of extending the telegraph
system in the Bellary
District and to request
the favour of an early
reply.
