From S. H. WYNNE, Esq., I.C.S., Collector of North Arcot, to the Chief Secretary to Government, dated Chittoor, 2nd September 1896, Dis. No. 2659-Acct.

In reply to memorandum No. 1626, dated 12th August 1896, I have the honour to report that as the adopted son of Viziaram Razu has been permitted to continue in occupation of the mahal in Vellore Fort since his adoptive father's death in 1888 without question and without demand for rent, I do not think rent should be asked for now. His occupation should, of course, be subject to the condition that it will continue only so long as the mahal is not required for other purposes, and I think he should be called on to pay the municipal taxes during his occupation.

2. The third query—viz., whether, in case he should be required to quit the mahal, any restrictions should be placed on his choice of residence—is, I think, one which the Collector of Vizagapatam is in the best position to answer; but, so far as I know, there is no objection to his living where he pleases.

I have the honour to refer the following case to you with the view of your addressing Government for orders.

2. The Municipality of Vellore have levied a tax of Rs. 150 for 1895–96 on the building in the fort occupied by the adopted son of the late ex-Zemindar of Pálkonda, a State prisoner, and sent a demand to this department for payment.

2. It would appear that the building in question is occupied at present by the adopted son of the late ex-Zemindar of Pálkonda (Viziaram Razu). In G.O., No. 164, Judicial, dated 3rd February 1870, Viziaram Razu and his family were permitted to reside in the Vellore Fort on the understanding that they would vacate the building whenever called upon to do so.

(1) Whether the adopted son of Viziaram Razu should be permitted to reside in the mahals at Vellore, rent free;

(2) If so, whether he should be called upon to pay the municipal taxes on the buildings occupied by him; and

(3) If he is required to quit the mahals, whether any restrictions should be placed on his choice of a locality in which to reside and whether any conditions, similar to those imposed † upon Viziaram Razu in 1869, should be laid down.

From S. H. WYNNE, Esq., I.C.S., Collector of North Arcot, to the Chief Secretary to Government, dated Chittoor, 2nd September 1896, Dis. No. 2659-Acct.

In reply to memorandum No. 1626, dated 12th August 1896, I have the honour to report that as the adopted son of Viziaram Razu has been permitted to continue in occupation of the mahal in Vellore Fort since his adoptive father's death in 1888 without question and without demand for rent, I do not think rent should be asked for now. His occupation should, of course, be subject to the condition that it will continue only so long as the mahal is not required for other purposes, and I think he should be called on to pay the municipal taxes during his occupation.

2. The third query—viz., whether, in case he should be required to quit the mahal, any restrictions should be placed on his choice of residence—is, I think, one which the Collector of Vizagapatam is in the best position to answer; but, so far as I know, there is no objection to his living where he pleases.

Order—No. 642, Political, dated 15th September 1896.

The Government accepts the proposals of the Collector of North Arcot in his letter read above. The Pálkonda pensioner will be required to pay the municipal taxes on the building occupied by him in the Vellore Fort.

2. The Collector of Vizagapatam will be requested to report whether, if the adopted son of Viziaram Razu is at any time called upon to quit the mahals at Vellore, any restrictions should be placed on his choice of a locality in which to reside and whether any conditions, similar to those * imposed upon Viziaram Razu in 1869, should be laid down.
