To

The Hon. The Chief Secretary to Government

Sir,

I have the honor to state that in forwarding last month to the Chaplain of South Black Town an Estimate for a small amount for immediate repairs to the Roof of Holy Emmanuel Church, South Black Town Madras the Consulting Architect to Government reports as follows:—

"The Church is covered with a Bengal
"terrace roof which when it once cracks will
"always give trouble. As Mangalore pattern tiles
"are now available, I consider that the present
"roof should be removed and replaced with these
"tiles to make it watertight. The cost of this
"will amount to about Rs 1300 but the sanction
"of Government will be necessary for the preparation
"of an Estimate, as it will be treated as a new work."

2- The Church is one of those under the S.P.W.
for repairs.

3- Should the Government consider the
alteration recommended by the Consulting Architect
to be advisable I have the honor to request
that the preparation of an Estimate may be
sanctioned. —

I have the honor to be,

Yours Most Obedt^{Sir} Servant

W. Weston Elwes

Archdeacon of Madras
